---

## RELEVANT EXPERIENCE

### NORTH CAROLINA HEALTH INFORMATION EXCHANGE AUTHORITY

Durham, NC

#### *Student Analyst*

October 2024-Present

This role involves supporting the analysis of state readiness, strategic planning, and implementation efforts for the Health Data Utility (HDU). I work alongside experienced professionals, gaining valuable experience in health data infrastructure and project planning by identifying legislative, technological, and community levers. We have moved past the assessment phase and are now in the planning phase of this project's implementation.

### MARGOLIS SCHOLARS PROGRAM

Durham, NC

#### *Undergraduate Scholar*

May 2023-May 2026

I am part of a select group of students engaged in rigorous academic and professional training. This program will continue through my junior and senior years and will require me to engage in health policy research and professional development involvements.

### BRIDGES TO HEALTHCARE TECHNOLOGY | CARNEGIE MELLON UNIVERSITY/UNITEDHEALTHGROUP

Pittsburgh, PA

#### *Research Student*

May 2025-August 2025

This competitive research program is based at CMU and in collaboration with UnitedHealth Group to understand and apply statistical analysis data on novel healthcare challenges. This program includes deep diving into data analysis models and machine learning algorithms, and how they can be applied to healthcare.

### FAMILIESUSA

Washington, DC

#### *Health Policy Intern*

May 2024-August 2024

Contributed to Medicaid projects by researching state statutes related to managed care organization contract procurement. Supported whole-person care initiatives, including gun violence prevention strategies and addressing disparities in care for individuals with disabilities. Assisted in developing materials to be presented to Wyoming legislators for Medicaid expansion efforts.

### LINCOLN COMMUNITY HEALTH CENTER

Durham, NC

#### *Volunteer*

NOVEMBER 2024-May 2025

Discuss with clients, predominantly of a Spanish-speaking and uninsured/underinsured population to identify unmet needs and connect them with social services and/or CBOs to fill those gaps.

### ASSOCIATION FOR MIXED PEOPLE AT DUKE

Durham, NC

#### *Vice President*

October 2023- May 2025

- Organize and facilitate discussion on challenges faced by multi-racial/cultural individuals by establishing a welcoming space and community of inclusion on campus.

---

## RELEVANT SKILLS
